INTER-OFFICE CORRESPONDENCE

REILLY TAR & CHEMICAL CORPORATION

TO: MR. R. J. BOYLE - INDPLS. OFFICE: St. Louis Park
FROM: Mr. H. L. Finch DATE: July 6, 1971
SUBJECT: ST. LOUIS PARK SUN - JULY 1, 1971

Attached is an article from the St. Louis Park Sun of July 1, 1971 which was of interest.

During our phone conversation of Tuesday, June 29th, my meeting with Mr. Joe Wright on Monday, June 28th was mentioned. Mr. Wright is a member of the St. Louis Park Housing and Redevelopment Authority but is also the owner of the first building fronting Gorham Street as Gorham takes off from Louisiana Avenue. This building is to be taken in the acquisition of the property for the Louisiana Extension.

Mr. Wright's comments to me was that our property might better be developed by private interests rather than by governmental interests apparently were not set out in the council meeting.

As further comment on this article, one might project that the acquisition of Republic Creosoting Company's property is the main interest in obtaining federal financial assistance even though it could be interpreted otherwise from this article.

Yours very truly,

H. L. Finch
